ACM SECURES NEW \$7 MILLION FACILITY FOR TEAM ENTERPRISES

TEAM Enterprises President, Dan Gregory, heralds ACM for its guidance, diligence, and coordination of a new revolver.

MIAMI, Jan. 5, 2010 – ACM Capital Partners, a national investment and advisory firm specializing in assisting middle market companies, today announced completion of a \$7 million new revolving credit facility for TEAM Enterprises, a successful marketing services provider headquartered in Ft. Lauderdale, Fla.

TEAM President Dan Gregory heralded ACM for its guidance, diligence and coordination. TEAM turned to ACM in the summer to deliver strategic advisory services specific to securing a new working capital facility. ACM assisted the management team and facilitated bank meetings which led to a successful term sheet and ultimate closing.

“Critical to our efforts was having ACM in place well in advance, and they delivered,” Gregory said.

“Thanks to ACM’s sound and innovative guidance with a truly independent perspective, our management team was able to maneuver through tight credit markets and make more calculated decisions based on a wider array of options.”

“A company with the success and reputation of TEAM should be provided with the best credit options in today's environment. We wanted to ensure that we provided them with the best lenders at the most attractive pricing - and we delivered,” said ACM Managing Partner Jim Martin. “We are proud to have served as a trusted advisor to TEAM's management during these challenging economic times.”

ACM's unique approach focuses on injecting various forms of capital (including financial, intellectual and operational) directly into its client companies. Alongside capital infusion, ACM places a hands-on, seasoned member of each one of its three discipline teams (Executive, Financial and Operational) into each client engagement.
